Affected: [IC 25-2.1-3-8](#)

Sec. 19. (a) The candidate must attain the uniform passing grade of seventy-five (75), scaled through a psychometrically acceptable standard setting procedure and approved by the board.

(b) A candidate may take the required test sections individually and in any order. Credit for any test section passed shall be valid for **a period of** eighteen (18) months **and be calculated** from the actual date the candidate took that test section, **without having to attain a minimum score on any failed test section or sections and without regard to whether the candidate has taken other test sections** provided the following:

- (1) Candidates must pass all ~~four~~ (4) test sections of the ~~Uniform CPA~~ examination within a rolling eighteen (18) month period, which begins on the date that the first test section passed is taken.
- (2) Candidates cannot retake a failed test section in the same testing window **as defined in section 14(a) of**

this rule.

(3) In the event all four (4) test sections of the ~~Uniform CPA~~ examination are not passed within the rolling eighteen (18) month period, credit for any test section passed ~~more than~~ **outside the** eighteen (18) months previously ~~month period~~ will expire and that test section must be retaken.

Paper and Pencil Examination	Computer-Based Examination
Auditing	Auditing and attestation
Financial accounting and reporting (FARE)	Financial accounting and reporting
Accounting and reporting (ARE)	Regulation
Business law and professional responsibilities (LPR)	Business environment and concepts

~~(d) Additional requirements for the transitional conditional status are as follows:~~

~~(1) Candidates who have attained conditional status prior to April 2004 will be allowed a transition period to complete any remaining test sections of the CPA examination. The transition is the maximum number of opportunities that candidates who have conditioned under the paper and pencil examination have remaining, prior to April 2004, to complete all remaining test sections, or the number of remaining opportunities under the paper and pencil examination, multiplied by six (6) months, whichever is first exhausted.~~

~~(2) If a previously conditioned candidate does not pass all remaining test sections during the transition period, conditional credits earned under the paper and pencil examination will expire and the candidate will lose credit for the test sections earned under the paper and pencil examination. However, any test section passed during the transition period is subject to the conditioning provisions of the computer-based examination as provided for in subsection (c), except that a previously conditioned candidate will not lose conditional credit for a test section of the computer-based examination that is passed during the transition period, even though more than eighteen (18) months may have elapsed from the date the test section is passed, until the end of the transition period.~~

For purposes of this section, credit for passing a test section of the computer-based examination is valid from the actual date of the testing event for that testing test section, regardless of the date the candidate actually receives notice of the passing grade.~~

(e) Notwithstanding subsection (b), the board may in particular cases extend the term of credit validity upon a showing that the credit was lost by reason of circumstances beyond the candidate's control.
